OVERVIEW

COLUMBUS
chama

Community	Cham, located right next to the Lorze river.
Location	First-class infrastructure and development.
Taxes	Tax rate of 59% without church tax / 5th lowest in the canton.
Apartment configuration	Buyers can arrange the interior design of the apartments using a digital apartment configurator. We are also happy to fulfil individual buyer wishes where possible. If additional costs are incurred due to the apartment configuration, the purchase price is adjusted accordingly.
Interior finishings	The interior finishings can also be customised using the fit-out options and materials available in the apartment configurator. In some cases, you can also select enhanced specification standards and floor plan options at an additional cost.
Outdoor spaces	Each apartment has generous outdoor space. Depending on the apartment type, these are designed as balconies, terraces or garden spaces.
Parking	Underground parking spaces for CHF 50,000 Public parking is also available for visitors. Shared mobility point for the entire site (e-cars, e-bikes, e-cargo bikes, e-mopeds, e-scooters) accessible via an app.
Bikes	Bike storage with charging facilities for e-bikes is available in the basement. In addition, there is a well-equipped bicycle workshop, which is accessible to all residents.
Public transport	The Lorzenpark bus stop is next to the site. Bus line 42 runs every 15 minutes to Cham railway station from there.
Room height	The room height in all areas is a minimum of 250 cm. The living area of the ground floor apartments is raised by approx. 30 cm.
Laundry	All apartments have their own washing machines and tumble dryers. Drying rooms are also available to use in the basement.

OVERVIEW

COLUMBUS
chama

Basement	Each apartment comes with basement space complete with its own power outlet. In addition, there are six ancillary rooms each measuring about 25 m ² available for purchase.
Lift	Each staircase has a wheelchair-accessible lift.
Internet provider	Swisscom fibre optic line available.
Certification	The complex is SNBS Silver and Minergie certified.
Parcel area	Parcels can be securely delivered at any time in the parcel area of the CHAMA site.
Co-working	Enjoy an extended home office right on your doorstep with the co-working space on the CHAMA site.
Application	You can reserve the apartments online directly via the project website www.columbus-chama.ch .
Reservation deposit	A deposit of CHF 50'000.- (2.5- and 3.5-room apartments) or a deposit of CHF 70'000.- (4.5- and 5.5-room-apartments) payable upon conclusion of the reservation agreement.
Financing	Financing can be arranged according to the individual needs and desires of the Buyer with the bank or creditor that suits them best. The Team of Wechsler Real Estate works with experienced mortgage partners who come highly recommended and are already familiar with the Columbus project. All direct, personal contacts of the respective banks are specified in the Financing Guidance document ("Wegleitung zur Finanzierung"). The Buyer is responsible for the costs of establishing security on real property for the financing institution.
Viewings	The Team of Wechsler Real Estate is available to provide personal consultation. Access to the building site is not permitted for insurance reasons.

Provisions:

This information is based on the current planning status, the corresponding calculations and the current land registry planning documentation. The Seller reserves the right to make changes and to prior sale. The computer-generated images are intended to provide an impression of the planned new build. These images are only of an illustrative nature in terms of materials, colours, furnishings, building structure and surrounding design and greenery. No liability of any kind can be accepted for any of the plans, drawings, images, 3D views, colour scheme, furnishings and descriptions. The Seller expressly reserves the right to make any changes until building completion. The documentation does not form an part of any subsequent contractual agreements with the Buyer.
