Inclusion of HIAG in the EPRA Index as of September 24

Basel, 11 September 2018 - HIAG is pleased to announce that the leading global index body in real estate will include HIAG into its EPRA indexes as of September 24. This inclusion is an important step for HIAG to broaden its shareholder base and position its notion of developing sites and building new cities beyond Switzerland.

About HIAG

HIAG is a leading Swiss property owner, manager and redeveloper of former industrial sites in attractive locations. Its real estate portfolio is broadly diversified both geographically as well as in terms of property usage. HIAG owns about 40 attractive sites with a total surface area of 2.5 million m². The group generates currently an annualised property income of approximately CHF 58 million and currently pursues roughly 50 short-, medium- and long-term redevelopment projects. In the same way as it provides surface area for its tenants, with its fully owned subsidiary HIAG Data, HIAG makes an efficient cloud infrastructure platform available to cloud service providers with cloud-based business models as well as large companies.
