

THE HIVE

CONNECTIVITY

The campus is particularly well located: just a few minutes from the station and airport, The Hive is also served by the main road routes to Switzerland and from France. CERN and the watchmaking campus are just a five-minute walk away.

SUSTAINABLE MOBILITY

With networks of cycle paths and the TPG bus, The Hive encourage sustainable mobility.

E-BIKES FOR EVERYDAY USE

The Hive is a partner of the Donkey Republic network, which puts its self-service bicycles within reach of everyone at the click of a button, 24 hours a day, 7 days a week. Referred to as a drop-off point, it allows you to cycle to the campus for your daily commute.

SHUTTLES FOR EVERY NEED

Every half an hour, the Train Lemman Express heads to Cornavin station with a journey time of under eight minutes. Every ten minutes during peak hours, the 56 and 57 buses offer a link to Zimeysa station in just three minutes. A private shuttle project is also being examined
